

REMARKS

By this amendment, claims 4-15 are canceled and claims 1-3 and the title are revised to place this application in immediate condition for allowance. The title is revised to better align with the pending claims.

First, Applicants acknowledge the Examiner's decision to consider claims 5-14 as being drawn to different inventions and these claims are canceled.

Second, claims 1-3 are revised in response to the rejection based on 35 U.S.C. § 112, second paragraph. It is submitted that these changes address each and every one of the issues of indefiniteness raised in the Office Action and that claims 1-3 are fully definite under the purview of 35 U.S.C. § 112, second paragraph.

Since the rejection under 35 U.S.C. § 112, second paragraph, was the only rejection made in the Office Action and it have been overcome, the application is now in condition for allowance.

Accordingly, the Examiner is requested to examine this application and pass claims 1-3 onto issuance.

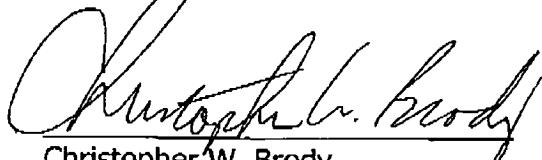

If the Examiner believes that an interview would be helpful in expediting the allowance of this application, the Examiner is requested to telephone the undersigned at 202-835-1753.

The above constitutes a complete response to all issues raised in the Office Action dated August 20, 2008.

Again, reconsideration and allowance of this application is respectfully requested.

Applicants respectfully submit that there is no fee required for this submission, however, please charge any fee deficiency or credit any overpayment to Deposit Account No. 50-1088.

Respectfully submitted,
